## About Us

Forest City Gymnastics Club is a well established non profit organization that has been serving London since 1978. Club governed by volunteer Board of Directors, and is comprised of the parents of competitive athletes. The board is responsible for all decisions regarding the club and all policies and procedures.

## Our facility

Our training centre offers 10,000 sq. ft. of training space. Forest City Gymnastics Club also offers the following:

We are the only club in London that offers complete men's and women's recreational and competitive programs.

- For years, we have been the only club around that offers a solid men's program. Our club is experienced at delivering the Ontario Development Program.
- Club is a fully certified National Coaching Certification Program (NCCP) national level coaching staff. Club has fully certified Ontario Development Program (ODP) Assessors.
- Club has national, provincial, and regional level men's and women's judges. Club has certified Preschool Specialist and Sports Aerobics Specialist (PCCP) staff.
- Club is High Five Registered. High Five is a framework committed to assisting children along the healthy path of child development, thus, ensuring that recreation and sport practitioners develop a high level of knowledge and expertise in child development.

## Forest City Gymnastics Club Philosophy

**To** promote, foster and perpetuate gymnastics as an educative and constructive recreational and competitive experience.

**To** study and teach all aspects of gymnastics and to interpret and disseminate information, knowledge and teaching skills concerning methodology and standards throughout the City of London and surrounding community.

**To** encourage training programs and clinics on a regional level for instructors and other personnel active in the operation of gymnastics programs.

**To** cooperate with Gymnastics Ontario and the Canadian Gymnastics Federation in development of this sport by the promotion of research and study in all aspects of gymnastic activity.

**To** organize and participate in gymnastic competitions, public participation displays, and clinics.

**To** act as the liaison between gymnastics interest groups, participants, leaders, coaches and judges in the City of London and surrounding area, and the Ontario Gymnastics Federation and,

**To** provide a facility with equipment to meet these goals.

## Team Philosophy

To allow each athlete the opportunity to grow as an individual in a program suited to their individual level of interest and ability; to provide quality instruction to all athletes in an environment of co-operation and active participation; to encourage each athlete to reach her/his maximum potential. Develop in each athlete a sense of self worth and accomplishment.

## Coaching Philosophy

Our coaches are committed to providing each athlete with the skills, knowledge, support and encouragement to be the best that they can be. Part of this learning experience is having athletes make choices and learn from the consequences. Athletes are responsible for their behavior and will ultimately decide how much or how little of this support they will use.
